

UNITED STATES BANKRUPTCY COURT  
DISTRICT OF MINNESOTA

IN RE:

CASE NO. BKY **03-36019 GFK**  
CHAPTER 13

**DARIN C OLSON**  
**KIMBERLY J OLSON**

REPORT OF STANDING TRUSTEE  
TO MOTION OF  
**COUNTRYWIDE HOME LOANS**  
FOR RELIEF FROM STAY

In response to the above motion, the Trustee reports to the Court as follows:

1. As of **October 4, 2004** the Trustee has received payments totaling \$1680.00 from the debtor(s). Debtor(s) is/are current on payments required under the confirmed plan. The Trustee has funds on hand for distribution of \$210.00. The information provided herein relates to the confirmed plan and does not take into account the provisions of any proposed modified plan.
2. The Trustee has made payments totaling \$136.79 to movant or its assignee.
3. The Trustee has reviewed the above motion as to its possible effect on the debtor(s)' plan and the claims of the other creditors as provided for thereunder, and **the Trustee notes the following:**  
**The response date for service by mail is incorrect. Monday, October 11, 2004 is a holiday.**  
**The correct response dated is Thursday, October 7, 2004. The attachments to the moving papers do not show the transfer of interest from North American Mortgage Corporation to Countrywide Home Loans, Inc. ("Countrywide"). So long as movant shows evidence of the transfer and no party objects on the grounds that the interest of Countrywide has not been shown, the Chapter 13 Trustee does not object to entry of an order granting the relief requested.**
4. The Trustee hereby notifies movant and movant's attorney that further payment, if any, of movant's secured claim as allowed will be held by the Trustee but not delivered to movant. *If the Court grants the relief prayed for, the Trustee shall make no further payments on the claim, unless the claim is amended or the Trustee is advised by movant that the movant's claim is not affected by the relief granted.* The Trustee shall hold funds for 30 days following the grant of relief to allow movant to properly advise the Trustee.
5. This motion refers to post-petition payments which are to be made directly by the debtor(s).
